ORDERING POLICIES + PROCEDURES

ORDERING PRIOR TO THE EVENT
For your convenience, food and beverage orders can be made from our 2026-2027 menu up to two (2) business days prior to the event. If you miss the preorder deadline, you may place your order from the Game Day Menu.

Unless otherwise requested by you, the Suite holder, or your designate, all cold and dry food will be delivered prior to the start of the event. In ensuring the highest level of presentation, service and quality, some time- and temperature-sensitive items will be delivered after doors are open.

The Suite Temptations cart can be requested to stop by your Suite when placing your Advance Order or on the event day. We can only offer the cart for Pistons and Red Wings games. All food and beverage service will end promptly at the beginning of the 4th quarter for basketball events and with ten (10) minutes remaining in the 3rd period for hockey events.

ADVANCE ORDERING
Advance orders are accepted up to two (2) business days prior to the event. The best way to place your order is online ordering:
Online website ordering:
a. Go https://suites.myvenue.com/
b. Select venue LCA
c. Enter your username and password
d. Choose the event you would like to order for
e. Proceed with the online process to place your order
If you do not have an account or need assistance with ordering, please contact LCASuites@delawarenorth.com

ORDERING DURING THE EVENT
Most of the items on the Suite Menu are available after the ordering deadline, including during the event. These orders will be accepted through the beginning of the 4th quarter for basketball and ten (10) minutes remaining in the 3rd period for hockey. A credit card on file with the Delaware North Suite Office must be provided to the Suite Attendant for payment of all Game Day Menu orders. We strongly encourage you to order at least two (2) business days in advance. Not only will you pay pre-event prices, but you will also have a larger selection of choices. Game Day ordering is provided as a convenience to our guests; however, it is meant to supplement the pre-event order, not replace it. Game Day orders may be placed with the Suite Attendant overseeing your Suite the day of your event. Please allow approximately 45 minutes for all Game Day orders.

METHOD OF PAYMENT
Option 1: Credit Card on File
All Suite holders will set up an account with Delaware North Sportservice Suite Office with a major credit card. Your business's contact person will be referred to as a Suite Administrator. The Delaware North Sportservice Suite Office will keep this information on file for its authorized use. All food and beverage orders will be charged to this account unless otherwise specified. The Suite Administrator is responsible for any orders placed for their Suite. Unless otherwise instructed, at the end of an event the Suite host will be presented with an itemized bill detailing all food and beverage purchases charged to the account for that event. >>>

A Suite guest may also use their personal credit card for payment of food and beverage orders. At the end of the event, the Suite Attendant will present an itemized bill to the owner of the credit card. The methods of payment accepted are MasterCard, Visa, American Express and Discover.

Option 2: Escrow Account
An escrow account is a convenient way to pay for your purchases in advance without utilizing a credit card. Prior to the beginning of the season, a check is sent to Delaware North Sportservice Suite Office to be deposited in the escrow account. You will receive copies of the Customer Summary from each event itemizing all charges. An escrow can be initiated with a minimum balance of $2,000; however, we recommend $5,000 for the initial payment. When the escrow drops below $1,000, you will be asked to replenish your account; if the account balance reaches $0, you will be asked to provide a credit card for all charges until the escrow account is funded.

CANCELLATIONS
Should you need to cancel a food or beverage order, please contact our Suites Coordinator at (313) 471-7781 at least 24 hours prior to your event. Full price will be charged to the bill for all cancellations within 24 hours of the event date.

ADMINISTRATIVE CHARGE, TAX AND GRATUITY
Delaware North adds an administrative fee of 20% to your bill. 7% - 10% of this administrative fee is distributed to the employees providing service to you. The remainder of the administrative fee is not a gratuity and will be retained by Delaware North to cover administrative, operational, and other costs.

PAR STOCKING SYSTEM
For your convenience, Delaware North Sportservice offers a par stock system in your Suite. This system benefits your Suite in the following ways:

- Ensures beverages in your Suite without the hassle of ordering these items for every event
- Allows beverages to be locked/unlocked at your discretion
- Provides automatic replenishment

The Suite Administrator establishes a par stock and submits it to the Suite Office. Delaware North Sportservice places your par stock in your Suite, making it available for every event. When placing your food order, the Suite Administrator indicates whether they would like the beverages locked/unlocked. This is done on the website or over the phone.

If guests will be attending the game but no food order is being placed, please contact the Suite Office to indicate if the fridge should be open. Delaware North Sportservice will not open the par stock without permission from an authorized user. After each event, the Suite Attendant will assess consumption and will replenish the beverages according to the par stock information.
