ADVANCE ORDERING

Advance orders are typically due five (5) business days prior to the event. Deadlines are subject to change during weeks that include multiple major events within a seven (7) business day period or that fall near a major holiday.

After the advance ordering deadline has passed, guests are encouraged to place orders upon arrival at the suite. If a late order is accepted by your AT&T Stadium representative after the deadline, an additional 15% fee will apply and fulfillment will occur after all pre-scheduled orders have been delivered. Please note: if a late advance order is accommodated, advance menu items are subject to availability.

SPECIALTY ITEMS

AT&T Stadium will make every effort to accommodate special requests, including custom special occasion cakes and premium beverage items not listed on our standard menu. We will also do our best to accommodate food allergies and dietary restrictions; however, please note that we are not a nut-free facility and cannot guarantee the absence of allergens. To ensure proper sourcing and preparation, we kindly request a minimum of five (5) business days' notice for all specialty orders.

OUTSIDE FOOD & BEVERAGE POLICY

Please note that outside food and beverages are strictly prohibited at AT&T Stadium. Exceptions will be made for those with medical requirements and/or special needs, such as diaper bags. Non-compliant items are subject to confiscation.

FOOD & BEVERAGE DELIVERY

Most advanced order menu selections will be delivered to your suite prior to your arrival. Select hot items may be delivered closer to event time to ensure optimal quality. For extended or delayed events - such as concerts with multiple opening acts or sporting events with later start times - certain menu items may be held and delivered later to preserve temperature and freshness.

Pizzas and desserts containing ice cream are delivered at halftime or a designated midpoint. For more information on delivery timing, please contact your AT&T Stadium Suite Services Coordinator.

CANCELLATION POLICY

All food and beverage orders are subject to a cancellation fee. Cancellations made one to two business days prior to the event will incur a charge of 30% of the order total. Cancellations made on the day of the event will incur a charge of 50% of the order total. After the order deadline has passed, cancellation of a requested bartender or dedicated attendant is subject to a charge of 50% of the associated labor cost.

GENERAL INFORMATION

EVENT DAY ORDERING

The event day menu offers a limited selection of food items and the full à la carte beverage menu. Guests may place orders directly using the new suite controllers or through their suite staff. Food purchases can be made up until the start of the fourth quarter of a football game or 30 minutes prior to the scheduled end of a third-party event. Beverages may be purchased until the conclusion of the event. If payment instructions are not provided in advance to your AT&T Stadium representative, all guests will be required to present a credit card at the time of ordering.

SUITE STAFF

AT&T Stadium provides a Suite Server for each event. The Suite Server will assist with suite setup, maintain the suite throughout the event, and handle any additional food and beverage orders. Please note that Suite Servers are assigned to multiple suites and do not provide exclusive service. If a higher level of service is preferred, the following may be requested:

Dedicated Suite Attendant – Services your suite exclusively: \$325 per event

Suite Bartender – Tends the bar and provides exclusive suite service: \$325 per event

Requests for Dedicated Suite Attendants or Bartenders are subject to availability and must be submitted prior to the event order deadline to guarantee placement. If you would like to request an exclusive Suite Attendant or Bartender in addition to the Suite Server, please inform your AT&T Stadium Coordinator when placing your order.

ALCOHOLIC BEVERAGES

The Texas Alcohol Beverage Commission, City of Arlington, and AT&T Stadium strictly prohibit alcoholic beverages from being carried into or removed from the stadium and suite area. Non-compliance is subject to confiscation of property. It is the responsibility of the suite holder or suite lessee to monitor & control alcoholic beverage consumption within the suite. It is unlawful for anyone under the age of 21 to consume or purchase alcoholic beverages. AT&T Stadium reserves the right to withhold service of alcoholic beverages to anyone. Thank you for your cooperation and help in making AT&T Stadium a safe and exciting place for everyone.

SERVICE CHARGE & TAX

A standard service charge of 24% will be applied to all food and beverage orders. This service charge is not a gratuity and is retained by Legends to help defray administrative costs. It is up to your personal discretion to leave gratuity for your Suite Server or Suite Attendant/Bartender. All services are subject to a service charge and 8.25% sales tax.

ADDITIONAL FEES

AT&T Stadium is available to assist with disposing, moving, locking, and unlocking the beverage inventory in your suite. All requests must be submitted in writing to your AT&T Stadium coordinator no later than three (3) business days before an event. There is a \$50 charge for each occurrence. Please reach out to your designated AT&T Stadium representative for additional information.

PAYMENT POLICY

Suite holders will provide one credit card to remain on file for their AT&T Stadium catering orders for the 2026 season. Advance orders will be paid in full with this card for all events. If alternate payment is not presented for orders placed on the day of the event, the credit card on file will be processed. Legends Global does not handle third-party collections.

LIABILITY

The Dallas Cowboys and Legends Global cannot assume responsibility for any items missing, lost, or stolen from your suite. In addition, any damage incurred in the suite or adjoining suite area by a suite holder or guest is the responsibility of the suite holder or suite lessee.
