ORDERING OPTIONS PRIOR TO THE EVENT

There are three options for placing an order when ordering six (6) business days prior to the event:

1. Online website ordering:
 - a. Go to:
<https://reserve.delawarenorth.com/GuestReserve>
 - b. Select Lambeau Field as your venue
 - c. Enter your user name and password
 - d. Proceed with the online process to place your order
2. Email the Suite Coordinator at: GBSuites@DelawareNorth.com
3. Call the Suite Coordinator: 920-965-3773

We strongly encourage all Suite Administrators to order via GuestReserve. This ensures accuracy and is quick and convenient. Every Suite is assigned a unique username and password for their online ordering. If you have trouble accessing your account, please contact your Suite Coordinator at 920-965-3773.

ORDERING FOOD DURING THE EVENT

Most of the items on the Suite Menu are available after the ordering deadline, including during the event. These orders will be accepted through the end of the game. A credit card must be on file with the Delaware North Suites Office or must be provided to the Suite Attendant for payment of all Game Day Menu orders. We strongly encourage you to order at least six (6) business days in advance. Not only will you pay pre-event prices but you will also have a larger selection of choices. Game Day ordering is provided as a convenience to our guests; however, it is meant to supplement the pre-event order menu, not replace it.

Game Day orders may be placed with the Suite Pantry Supervisor via phone or with the Suite Attendant overseeing your Suite the day of your event. Please allow approximately 45 minutes for all Game Day orders.

CANCELLATIONS

Should you need to cancel a food or beverage order, please contact our Suite Coordinator at 920-965-3773, at least 48 hours prior to your event. Full price will be charged to the bill for all cancellations within 48 hours of the event date.

METHOD OF PAYMENT

OPTION 1- CREDIT CARD ON FILE

All Suite holders will set up an account with the Delaware North Sportservice Suite Office with a major credit card. Your business' contact person will be referred to as a Suite Administrator. The Delaware North Sportservice Suite Office will keep this information on file for its authorized use. All food and beverage orders will be charged to this account unless otherwise specified. The Suite Administrator is responsible for any orders placed for their Suite. Unless otherwise instructed, at the end of an event, the Suite host will be presented with an itemized bill detailing all food and beverage purchases charged to the account for that event. A Suite guest may also use their personal credit card for payment of food and beverage orders. At the end of an event, the Suite Attendant will present an itemized bill to the owner of the credit card. The methods of payment accepted are MasterCard, Visa, American Express and Discover.

OPTION 2- ESCROW ACCOUNT

An escrow account is a convenient way to pay for your purchases in advance without utilizing a credit card. Prior to the beginning of the season, a check is sent to Delaware North Sportservice Suite Office to be deposited in the escrow account. You will receive copies of the Customer Summary from each game itemizing all charges. An escrow can be initiated with a minimum balance of \$8,000. When the escrow drops below \$1,000, you will be asked to replenish your account. If the escrow balance reaches \$0, you will be asked to provide a credit card for all charges until the escrow account is funded.

ADMINISTRATIVE CHARGE

An industry-standard administrative charge of 20% will be applied to all food and beverage orders. This administrative charge is not a gratuity and is retained by Delaware North to help defray administrative costs. All services are subject to 5.5% sales tax. It is up to your personal discretion to leave gratuity for your Suite Attendant.

PERSONALIZED SERVICES

During events, Suite Attendants will take additional food and beverage orders. Should you desire a private Suite Attendant or bartender services, we will be happy to provide you with the necessary staff. When ordering a private Suite Attendant or bartender, 72-hour notification is required. The cost for a private Suite Attendant or bartender is \$150.00 per event.

POLICIES + PROCEDURES

ALCOHOLIC BEVERAGES

To ensure a safe and enjoyable time and to maintain compliance with the rules and regulations of the state of Wisconsin and Lambeau Field, no alcoholic beverages may be brought in or removed from your Suite at any time. It is the responsibility of the Suite holder to ensure that no minors or intoxicated persons consume alcoholic beverages in their Suite. We reserve the right to check for proper identification and refuse service to a person who appears to be intoxicated. If at any time you have questions regarding the liquor restock system or feel that you are missing an item, please feel free to contact the Suites office.

PAR STOCKING SYSTEM

For your convenience, Delaware North Sportservice offers a par stock system in your Suite. This system benefits your Suite in the following ways:

- Ensures beverages in your Suite without the hassle of ordering these items for every event
- Allows beverages to be locked/unlocked at your discretion
- Provides automatic replenishment

The Suite Administrator establishes a par stock and submits it to the Suite Office. Delaware North Sportservice places your par stock in your Suite, making it available for every event. When placing your food order, the Suite Administrator indicates whether they would like the beverages locked/unlocked. This is done either on the website, order form, or over the phone.

If guests will be attending the game but no food order is being placed, please contact the Suite Office to indicate if the beverages should be open. Delaware North Sportservice will NOT open the par stock without permission from an authorized user. After each event, the Suite Attendant will assess consumption and will replenish the beverages according to the par stock information.

The following guidelines will be used when restocking a beverage par:

- **Liquor or other spirits:** bottles have one-half remaining, unless other specifications have been made with the Suites Office staff

- **Wine:** bottles are less than half full or after white wine is opened
- **Mixers or Juice:** bottles are less than half full or expiration date is approaching
- **Beer, Soda or Water:** packs have three or less cans/bottles per 6-pack.
- All replenished beverages will be charged the following day on a separate bill.
- Unfortunately, predetermined packaging of certain items (i.e. 6-packs) cannot be sold on a per can or bottle basis.

Par stocks conclude at the end of the regular season and do not carry over into the postseason. Beverages will not be credited to your account.
